PERFORM BETTER CAMPS 2026

https://store.apex2100.org/collections/camps

At Apex2100, we're committed to developing the next generation of ski racing talent. Our Perform Better Camps are created specifically for motivated U12 and U14 athletes who want to elevate their skills, grow their confidence, and thrive in a fun, supportive, and inclusive environment. They're also an ideal pathway for those considering the Apex Academy full-time, while staying closely connected to family, school, and friends. Built around the core fundamentals of GS and SL racing, each camp combines world-class coaching, innovative performance workshops, and team-building activities. Hosted in some of Europe's most iconic ski destinations, our camps offer exceptional training conditions alongside the camaraderie of like-minded young athletes. To support long-term athlete development, we encourage athletes to attend multiple camps throughout the year. Consistent exposure to expert coaching and varied training environments drives steady progress and builds the foundation for lasting success.

VAL D'ISÈRE, FRANCE

Dates: Week 1: Sunday 7th June – Sunday 14th June | Week 2: Sunday 14th June – Sunday 21st June
Week 3: Sunday 21st June – Saturday 27th June 2026 (Complete programme: 19 days with 12 ski days)

Immerse yourself in the complete Apex experience with our flagship three-week summer programme. This isn't just a camp – it's a transformative journey into elite athletic development, combining glacier skiing with adventure sports, comprehensive Perform Better education, and full integration into our world-leading academy environment. Athletes benefit from 12 technical ski days complemented by up to seven adventure days featuring cold-water swimming, mountain biking, paddle boarding, exploring the Via Ferrata - a protected mountain climbing route that combines mountaineering and rock climbing and expeditions to Tignes' hidden alpine gems. What sets this camp apart is the total immersion into the Apex ecosystem: strength and conditioning with our performance team, wellness sessions, nutrition workshops, and mentoring from our expert staff including sports psychologists, nutritionists and lifestyle coaches. Athletes experience firsthand what it means to train like an Apex athlete while building lifelong friendships in one of the world's most spectacular mountain environments. Available as weekly blocks or the complete three-week experience.

OSLO, NORWAY

Dates: Sunday 22nd August – Sunday 29th August 2026 (5 ski days plus Oslo cultural day)

Combine world-class indoor ski training with Scandinavian culture and outdoor adventure in Norway's stunning capital region. Athletes benefit from two intensive two-hour ski sessions daily in perfect conditions, complemented by strength training in excellent gym facilities and roller-blading sessions through Oslo's beautiful forest trails and alongside pristine Nordic lakes. The highlight cultural day exploring Oslo's Viking Museum and Submarine Museum provides educational enrichment that embodies our "Live Better" philosophy. The exceptional Thon Hotel SNO sets new standards for athlete accommodation, with athletes consistently rating the breakfast experience as the best of any camp – featuring fresh pancakes, waffles, smoothie bars, and comprehensive nutrition options. This camp provides elite training without relying on glacial conditions, creating a unique environment for rapid technical progress.

SAAS FEE, SWITZERLAND (U14 CAMP ONLY)

Dates: Saturday 26th September – Saturday 3rd October 2026 (6 ski days)

Experience Switzerland's most spectacular glacier training environment alongside Apex's professional post graduate athletes. This exclusive camp offers unparalleled early-season snow conditions, a world-renowned freestyle park, and the unique opportunity to train in the same environment as Olympic-calibre skiers preparing for the World Cup season. The breathtaking Saas Fee valley provides the perfect backdrop for focused technical development. Accommodation in our private chalet with dedicated chef ensures exceptional nutrition and recovery, while the intimate group size guarantees individualised coaching attention. Activities include the famous Marmot hiking Trail, zip-lining, and mountain luge, complementing structured training blocks. This is where serious athletes begin their season with purpose, precision, and the inspiration that comes from training in a genuine world-class environment.

APEX2100

SÖLDEN, AUSTRIA

Dates: Saturday 17th October – Sunday 1st November 2026 (12 ski days across two weeks)

Witness the pinnacle of alpine ski racing while developing your own technical foundation on World Cup-standard slopes. Our flagship autumn camp coincides with the legendary Sölden World Cup opener, providing athletes with once-in-a-lifetime access to professional bib draws, athlete signing sessions, and the electric atmosphere of World Cup race weekend. Athletes train on race lanes often side-by-side with WC skiers, ensuring quality conditions and focused progression throughout the two-week programme. Beyond the exceptional on-snow training, athletes enjoy our unique Serious Fun balance and co-ordination programme with our performance coach Tag, swimming sessions, and evening fun programmes in Sölden's vibrant town centre during the WC weekend. Our dedicated chef ensures optimal nutrition with exclusive use of the hotel kitchen, while we book out the entire Pension Sonnenheim to create an immersive Apex community experience. This is where young racers dream big and train alongside the world's best.

Early Bird **€4,100** **Full Price** **€4,556**
